Inserted the entire list of the categories and subcategories. That proposal is only a first version, with the time will come new additions categories/subcategories.

At the moment here the inserted main categories:
- Clothing & Footwear
- Pets & Animals
- Motors
- Camping & Boating
- Home & Garden
- Jewelry & Watches
- Collectibles
- Hobby & Leisure
- Toys, Games & Models
- Electronics
- Property, Real Estate
- Travels
- Health & Fitness
- Business Opportunities, Careers
- Personals
- Miscellaneous

We invite anyone to signal eventual categories or subcategories lacking!
Thanks for the collaboration!
